Stanley Kerr, Esq.,  
Toronto.

Dear Mr. Kerr:

I have made inquiries from the Registrar with regard to your request for liberty to write a supplemental on the one subject in which you fell below the required marks. I find, however, from Mr. Pretrier that it is not the case of a falling below the marks only in one subject, but that you were below the average which was necessary to give you standing, so that it will be necessary to repeat the whole examination again. I do not know what else I can do in the circumstances.

With kind regards, I am,

Yours sincerely,

President.
